KITAB-UT-TAHAARAH (Paaki ke Masaail)

Paani ke Masaail (book p. 11)

Namaz ke liye jism, kapde aur jagah ka paak hona zaroori hai; tahaarat ke bina namaz qabool nahi hoti. Paani ki do qismein hain:

1. **Maa-e-Tahoor (paak paani):** jo apni asli halat par baqi ho aur khud paak ho kar doosri cheezon ko bhi paak kare. Misaal: baarish, kunwen, nehar, chashme aur samandar ka paani. Hukm: wudu, ghusl, istinja sab ke liye istemaal jaaiz.
2. **Maa-e-Najis (na-paak paani):** jis mein najasat gir kar uska rang, zaiqa ya boo badal jaye. Hukm: iska istemaal haraam hai.

- Agar paak cheez (namak, patte, ghaas, mitti) mil jaye aur paani ka rang/boo/maza badal jaye, tab bhi paani paak hai.
- Najasat girne se awsaaf-e-salasa (**rang, boo, maza**) mein se koi tabdeel na ho to paani na-paak nahi hota.
- Jo paani lambi muddat tak thehar kar badal jaye (najasat ki wajah se nahi), wo paak hai.

Najasaton ka Bayaan (book p. 13)

Najis cheezein:

1. Sabeelain (peshab/paakhana ke raaste) se nikalne wali cheezein: peshab, paakhana, mazi, wadi, mani.
2. Dam-e-masfooh: zabah ke waqt jo khoon nikal kar behta hai.
3. Kutte ka thook aur jhoota.
4. Murdaar jaanwaron ka gosht, unki khaal aur haddi (zabah ke bina).
5. Haraam jaanwaron ka peshab aur paakhana.

Jo cheezein na-paak NAHI hain:

- Halaal jaanwaron ka gobar aur peshab paak hai (dalil: Rasool saw ne Uraina walon ko oontnion ka doodh aur peshab dawa ke tor par pine ka hukm diya; bakriyon ke baade mein namaz ki ijaazat).
- Halaal jaanwaron ka jhoota paak hai.
- Billi ka jhoota paak hai.
- Murda machhli aur tiddi paak hain.
- Wo keeray jin mein behta khoon nahi hota: makkhi, cheenti waghera.
- Qay (ulti) - raajeh qaul ke mutabiq paak (nawaqiz-e-wudu mein bhi shaamil nahi).

Mas'ale (rehnumaay mu'allim se):

- Haraam jaanwar (darinde wagaira) ka jhoota: agar paani zyada ho aur rang/boo/maza na badle to paak, thoda ho to na-paak.
- Dalil: Nabi saw se haudon ke baare mein poocha gaya jahan darinde aate hain; farmaya: jo unhon ne pet mein daal liya wo unka, aur jo baqi raha wo hamare peene aur tahaarat ke laayq hai (Daraqutni).
- Kutte ka laab khaas hadees ki wajah se najis hai; khinzeer ka bhi yehi hukm hai.
- Agar makkhi paani ya khane ki cheez mein gir jaye to usey poora duboo kar nikal dein (ek par shifa, doosre mein bimari hoti hai).

Najasaton ko Paak karne ka Bayaan (book p. 16)

1. Neend se jaagne ke baad paani mein haath daalne se pehle teen baar haath dho lein.
2. Shirkhwaar bachche ke peshab par paani ke chheenti maar dena kaafi hai; shirkhwaar bachchi ke peshab ko dhona zaroori hai. Agar bachcha khana khane laga ho to uska peshab bhi dhona zaroori hai.
3. Aurat ka lamba daaman najasat par se guzar jaye to baad ki paak zameen par guzarne se paak ho jata hai (Umm-e-Salama ra ki hadees).

4. Zameen ki gandagi dhoop/hawa se sookh kar asar khatam ho jaye to zameen paak hai.
5. Joota ya chappal par gandagi lagi ho to zameen par ragarne se paak ho jata hai; ussey pehen kar namaz jaaiz hai.
6. Kutte ne bartan mein munh daala to usey khali kar ke 7 baar dhoyein, pehli baar mitti se.
7. Maakool-ul-lahm murdaar jaanwar ka chamda dibaaghat (rangne) se paak ho jata hai.

Das fitri cheezein (tahaarat o nazaafat se mutalliq):

1) Moonchh katarna, 2) Daarhi barhana, 3) Miswaak, 4) Naak mein paani daalna, 5) Naakhun tarashna, 6) Jodon ko dhona, 7) Baghal ke baal ukhaarna, 8) Zer-e-naaf baal moondna, 9) Istinja, 10) Khatna.

3. Dakhil hote waqt baayan paon pehle, nikalte waqt daayan paon pehle.
4. Nikal kar dua: *Ghufraanaka* (ae Allah main teri bakhshish chahta hoon).
5. Qiblay ki taraf munh ya peeth na karein.
6. Logon ki nazron se parda karein; peshab ke cheenton se bachein.
7. Qazaa-e-haajat ke dauran baat cheet na karein (Allah naaraaz hota hai).
8. Seedhe haath se sharmgaah ko na chhoo'ein aur na istinja karein; istinja baayen haath se karein.
9. Baad mein haath mitti/saabun se achhi tarah dho lein.

In jagahon par qazaa-e-haajat haraam hai:

Aam raaston mein, saayadaar aur phaldaar darakhton ke neeche, thehre hue paani mein.

Istinja aur Istijmaar (book p. 20)

- **Istinja:** sabeelain (peshab/paakhana ki jagah) ko paani se dhona.
- **Istijmaar:** sabeelain ko pathar wagaira se saaf karna.

- Istijmaar mein kam az kam **teen martaba** saaf karna wajib hai.
- Jin cheezon se istijmaar jaaiz nahi: jin mein Allah ka naam ho; insaan/jaanwar ke khane ki cheezein; haddi (jinnaat ki ghiza); lid aur sookha gobar (jinnaat ke jaanwaron ki ghiza).

Yaad rakhein: Salman Farsi ra ki riwayat: Nabi saw ne seedhe haath se istinja, teen pathar se kam mein istinja, aur gobar/haddi se istinja karne se mana farmaya.

Wudu ki Fazilat aur Ahmiyat (book p. 22)

- Wudu ke baghair namaz qabool nahi hoti.

Wudu ke Shuroot (book p. 26)

2. Paani ka paak hona.
3. Jo cheez paani ko jism tak pahunchne se roke use door karna (maslan mom, nail polish, paint, tel wagaira).

7. Wudu ke baad masnoon dua padhna.

Miswaak ke mustahab auqaat (paanch):

Wudu ke waqt, namaz ke waqt, tilawat-e-Quran ke waqt, neend se bedaar hone par, aur munh ki kaifiyat badal jane par. Hadees: miswaak munh ki paaki aur Rab ki raza ka sabab hai.

Nawaaqiz-e-Wudu (Wudu todne wali cheezein) (book p. 30)

1. Sabeelain se koi bhi cheez nikalna: peshab, paakhana, hawa, mazi, wadi waghera (khoon aur peep nahi, jaisa agle point mein).
2. Gehri neend so jana.
3. Bay-hosh ho jana.
4. Sharmgaah ko kapde ke baghair haath lagana.
5. Oont ka gosht khana.

Yaad rakhein: Gehri neend woh hai jis mein insaan ko ehsaas na rahe; halki neend (oongh) wudu nahi todti.

Wo Haalaat Jo Wudu NAHI Todte (book p. 32)

- Aag par pakki hui cheez khana.
- Qay (ulti) ho jana.
- Nakseer phootna (naak se khoon nikalna).
- Sabeelain ke alawa jism ke kisi bhi hisse se khoon ya peep nikalna.
- Raajeh qaul yehi hai. In haalaat mein wudu karna behtar hai magar wajib nahi.

Yaad rakhein: Dalil: ek ansari sahabi namaz mein the, dushman ne teer maara aur wo khoon aalood hone ke bawajood namaz parhte rahe, aur Nabi saw ne wudu ka hukm nahi diya.

Jin Kaamon ke liye Wudu Wajib / Mustahab hai (book p. 33)

Wajib:

Namaz parhne ke liye, Baitullah ka tawaaf karne ke liye, Quran (mushaf) pakadne ke liye.

Mustahab:

- Allah ke zikr ke liye.
- Wudu toot jaye to usi waqt dobara wudu karna.
- Ghusl-e-janaabat se pehle.
- Raat ko sone se pehle.
- Maiyyat ko uthane ki wajah se.
- Qay ho jane ke baad.

Mozon par Masah (book p. 34)

Wudu mein paon dhona zaroori hai, lekin Allah ne asaani farmai ke agar moze pehne hon to utaarna zaroori nahi, un par masah kar sakte hain (Jareer bin Abdullah ra ki hadees).

Shuroot:

- Moze wudu ki halat mein pehne gaye hon.
- Moze najasat se paak hon.

Muddat:

- **Muqeem** ke liye: 1 din aur 1 raat.
- **Musafir** ke liye: 3 din aur 3 raat.
- Mard apne amaame par bhi masah kar sakta hai.

- Zakhm par bandhi patti par bhi masah jaaiz hai (muddat ki shart nahi, jab tak patti utar na jaye).

Muddat ki ibteda aur intiha:

Wudu toot'ne ke baad jab pehla masah kiya jaye, usi waqt se muddat shuru hoti hai.

Misaal: Fajr ke liye wudu kar ke moze pehne, 9 baje wudu toota, zuhr mein wudu kar ke moze par pehla masah kiya. Ab agle din zuhr ke waqt tak masah kar sakta hai (ek din ek raat).

Muddat khatam hone par agar wudu baaqi hai to namazein parh sakta hai jab tak wudu na toote; lekin wudu toot'ne ke baad moze utaar kar paon dhona zaroori hai.

Masah karne ka tareeqa:

Dono haath geele kar ke daayan haath se daayen moze par aur baayan haath se baayen moze par, ungliyon ki taraf se pindli ki taraf phiren. Masah **ek hi martaba** aur **moze ke upar** karein; moze ke neeche masah karna sunnat se saabit nahi (Ali ra ka qaul).

Mozon ka masah kab baatil hota hai:

- Moze utaar dene se.
- Muddat khatam ho jane se.
- Ghusl wajib ho jane se.
- (Lekin muddat khatam hone ya moze utaarne se wudu nahi tootta; sirf masah baatil hota hai.)

Yaad rakhein: Moze do qism ke hain: (1) chamde ke - 'khuff'; (2) kapde/oon ke - 'jurab'. Mard ke liye resham ke moze pehenna haraam hai. Amaame ke masah ki wohi shartein hain jo mozon ki hain.

Ghusl ke Masaail (book p. 38)

Ghusl wajib hone ke haalaat:

1. Shahwat ke saath mani nikalna.
2. Neend mein ihtilaam ke baad (agar tari nazar aaye).
3. Jimaa' karne ke baad.
4. Haiz ka khoon band hone ke baad.
5. Nifaas ka khoon band hone ke baad.
6. Insaan ke marne ke baad (zindon par wajib hai ke mayyit ko ghusl dein).

Yaad rakhein: Mazi ya wadi nikalne par ghusl zaroori nahi, usey dho kar wudu kar lena kaafi hai.

Masnoon ghusl (jahan sunnat hai):

Jumu'a ki namaz ke liye, Eidain ke liye, mayyit ko ghusl dene ke baad, Hajj ya Umrah ka ehraam baandhne walon ke liye, aur ghair-muslim ke Islam qubool karne ke baad.

Yaad rakhein: Paani na mile ya istemaal mein koi majboori ho to ghusl ke badle tayammum kaafi hai.

Ghusl-e-janaabat ka masnoon tareeqa (Aisha ra ki riwayat):

1. Pehle dono haath dhona.
2. Seedhe haath se baayen haath par paani daal kar sharmgaah dhona.
3. Phir namaz ki tarah wudu karna.
4. Phir paani le kar ungliyon se baalon ki jaron tak pahunchana aur sar bhigona.
5. Teen baar sar par paani daalna.
6. Phir saare badan par paani bahana.
7. Aakhir mein paon dhona.

- Ghusl-e-wajib mein choteyan khole baghair bhi baalon ki jaron tak paani pahunch sakta ho to choteyan kholna zaroori nahi; sar par teen chullu paani daal lena kaafi hai.

- Ghusl-e-haiz ke liye Asma bint Shakal ra ke sawaal par Nabi saw ne farmaya: ber ke patton ke saath paani se badan achhi tarah saaf karein, phir sar par paani daal kar jaron tak pahunchayein, phir badan par paani bahayein, aur khushbu lagi hui rooi se paaki hasil karein.
- Aisha ra ne ansari aurton ki tareef ki ke deen ki baatein poochne mein sharm mehsoos nahi karti.

Yaad rakhein: Mani: lazzat aur josh ke saath nikalne wala paani. Mazi: shahwat ke waqt nikalne wala patla paani. Wadi: peshab se pehle ya baad nikalne wale safed gaadhe qatre.

Tayammum ka Bayaan (book p. 41)

Tareeqa:

Dil mein tayammum ki niyat karna, **Bismillah** keh kar paak zameen par ek baar apne dono haath maarna, phir chehra aur dono hatheliyon ki peeth par masah karna (Bukhari, Muslim).

Tayammum ke shuroot:

- Dil mein tayammum ki niyat.
- Mitti ka paak hona.

Tayammum do haalaton mein jaaiz hai:

1. Jab paani na mile (Surah Al-Maaida 5:6).
2. Jab paani ke istemaal mein koi majboori ho: bimari, sakht sardi ka khauf, paani sirf peene ke liye ho, kunwen mein rassi/dol na ho, ya paani ke paas dushman ya khoonkhaar jaanwar ho.

- Agar tayammum ke liye mitti bhi na mile to bagair tayammum us waqt namaz parh lein.
- Tayammum jin cheezon se jaaiz: zameen ki jins se: mitti, pathar, eent, cement, ghubaar, ret waghera.
- Jin se jaaiz nahi: jo zameen ki jins se na hon, jaise raakh, lakdi, loha.
- Paani na milne par jis tarah wudu ke badle tayammum jaaiz hai, usi tarah ghusl ke badle bhi jaaiz hai.

Nawaaqiz-e-tayammum:

(1) Paani mil jana. (2) Jin cheezon se wudu toota hai unhi se tayammum bhi toot jata hai.

Yaad rakhein: Rajeh qaul: aisi mitti jis par ghubaar ho, usi par tayammum jaaiz hai. Ghubaar-alood deewar par bhi tayammum jaaiz hai (jab wo zameen ki jins se bani ho). Tayammum ke liye haath zameen par maarne ke baad phoonk marna bhi saabit hai.

Haiz, Nifaas aur Istihaaza ke Masaail (book p. 44)

- **Haiz:** woh khoon jo aurat ke rahm se har maah kuch muta'ayyan dinon tak qudrati tor par kharij hota hai. Is ke dinon ki tadaad muta'ayyan nahi, aurat ki umr, tabiyat aur aab-o-hawa ke lihaaz se kam-o-besh ho sakti hai.
- **Al-Qasaat-ul-Baidhaa:** haiz ke aakhri dinon mein khoon ke bajaye saaf safed paani nazar aaye to ye haiz khatam hone ki alamat hai.
- **Ibteda/intiha:** haiz ki ibteda umr (taqreeban 9 saal) se aur intiha aam tor par 50-55 saal ki umr mein hoti hai.
- **Nifaas:** woh khoon jo wiladat ki wajah se rahm se kharij hota hai. Iski muddat aam tor par 40 din ya us se kuch kam bhi ho sakti hai.
- Agar wiladat se ek-do din pehle dard-e-zeh ke saath khoon aaye to wo nifaas hai; dard-e-zeh ke baghair aaye to wo istihaaza ke hukm mein hai.

Haiz o nifaas mein mamnoo' kaam:

1. Namaz parhna (paak hone ke baad qazaa nahi).

2. Roza rakhna (paak hone par roze ki qazaa zaroori hai).
3. Masjid mein thehrna (zaroorat se guzarna jaaiz).
4. Baitullah ka tawaaf.
5. Mushaf ko chhoona (zaroorat par kapde ki aad se pakad sakti hai).
6. Jimaa' karna (Al-Baqarah 222).
7. Talaaq dena.

Jaaiz umoor:

- Aurat ke saath khana peena, uthna baithna.
- Allah ka zikr, duaayein, aur zaroorat ke mutabiq Quran padhna (ta'lim/ta'lum ki gharaz se).
- Baitullah ke tawaaf ke alawa hajj ke baaqi manaasik ada karna.

Istihaaza:

Woh khoon jo kuch khwateen ko aadat ke alawa aata hai. Iski teen soorten:

1. Jis aurat ke ayyam-e-haiz muta'ayyan hon aur phir un mein farq aa jaye to jo ayyam zaaid hain wo istihaaza hain.
2. Jis ke ayyam muta'ayyan na hon to khoon ke rang mein farq dekh kar tamyeez kare (kaala = haiz, doosra rang = istihaaza).
3. Jis ke ayyam muta'ayyan na hon aur khoon ke rang mein bhi farq na ho to apni purani aadat ya apni jaisi auraton ke mutabiq haiz muqarrar kare.

Istihaaza ke ahkaam:

- Is halat mein ma'mool ke mutabiq tamaam ibaadaat anjaam de.
- Har namaz ke liye naya wudu karna zaroori hai.
- Har namaz ke liye ghusl karna mustahab hai; agar zuhr-asr aur maghrib-isha ghusl ke saath jama kare to ye bhi mustahab hai.

Yaad rakhein: Haiz se paak hone ke baad ghusl mein takheer na karein. Agar namaz ke waqt mein ek rakaat parhne ke barabar waqt baaqi ho aur aurat paak ho jaye to us namaz ki qazaa lazim hai (Hadees: jis ne asr ki ek rakaat ka waqt paa liya usne asr paa li).

KITAB-US-SALAH (Namaz ke Masaail)

Masjid jaane ke Aadaab (book p. 47)

3. Ungliyon ko chatkhana mana hai.
4. Masjid jane se pehle kaccha lehsan aur piyaaz na khayein, kyunke boo se namaziyon aur farishton ko takleef hoti hai.

- Parde ka intezaam ho to auratein bhi masjid ja sakti hain, magar bann-sanwar kar ya khushbu laga kar jana haraam hai.
- Aurat ke liye masjid ke bajaye apne ghar mein namaz parhna afzal hai.
- Cigarette/bidi ki boo ki wajah se namaziyon aur farishton ko takleef hoti hai, isliye in se bachna zaroori hai.

Azaan aur Iqaamat (book p. 49)

- **Azaan** ka matlab: namaz ke waqt ka elaan karna.
- **Iqaamat** ka matlab: jama'at khari hone ka elaan karna.

Yaad rakhein: Fajr ki azaan mein Hayya 'alal-falah ke baad *As-salaatu khairum minan-nawm* (2 baar) kehna chahiye. Azaan sunne wale ko muazzin ke jumle dohrane chahiye, magar Hayya 'alas-salah aur Hayya 'alal-falah ke jawab mein *La hawla wa la quwwata illa billah* kahe. Jo shakhs dil se azaan ka jawab de, jannat mein daakhil hoga.

Yaad rakhein: Aurat ke azaan/iqaamat ke baare mein: aurat par azaan lazim nahi; iqaamat kehna mustahab hai.

Azaan ke baad ki duaayein:

1. Pehle durood parhna.
2. Phir ye dua: *Allahumma rabba haazihid-da'watit-taammati was-salaatil-qaa'imati aati Muhammadanil-waseelata wal-fadeelata wab'ath-hu maqaaman mahmoodanil-ladhi wa'adtah.*

Yaad rakhein: Jo is dua ko azaan ke baad parhe, uske liye qayamat ke din Nabi saw ki shafa'at yaqeeni hai (Bukhari). Muazzin ki awaaz jahan tak pahunchti hai, wahan ke jinn, insaan aur har cheez qayamat ke din uske haq mein gawahi degi. Jis jagah azaan hoti hai wahan se shaitaan bhaag jata hai.
