Exercise 6 (سَادِساً) of Lesson 1 is located on **page 23** and is titled **"Answer as in the example" (أَجِبْ كَمَا فِي النَّمُوذَجِ)**.

This exercise focuses on practicing **past tense negation** by using the particle **لَمْ** (did not) followed by the present tense verb in the jussive case.

How the Exercise Works

You are given a positive statement in the past tense, and you must convert it into a negative statement by following these steps:

1. Add the negation particle **لَمْ**.
2. Change the past tense verb into its **present tense** form.
3. Ensure the verb ends with a *Sukun* (or a *Kasra* for phonetic flow if followed by "Al-").

The Model (النَّمُوذَج)

- Positive Statement: **مَحْمُودٌ تَسَلَّمَ التَّذْكِرَةَ.** (Mahmoud received the ticket).
- Negative Statement: **مَحْمُودٌ لَمْ يَتَسَلَّمِ التَّذْكِرَةَ.** (Mahmoud **did not** receive the ticket).

Practice Items and Expected Answers

Based on the prompts provided on page 23, here is how you would complete the exercise:

Grammatical Insight

- **Verb-Subject Agreement:** Notice that in the text, the verb تَسَلَّمَ (received) precedes the subject مَحْمُودٌ, following the standard VSO (Verb-Subject-Object) sentence structure in Arabic.

- **Negation with "لم":** When denying that Rashid received the tickets, the text uses **لَمْ يَتَسَلَّمْ**. Note how the past tense verb **تَسَلَّمَ** is converted to the present tense jussive form (**يَتَسَلَّمْ**) when negated by **لَمْ**.
- **Attached Pronouns:** In the text and answers, attached pronouns like **-هَا** (in *تَسَلَّمْتُهَا* or *عَلَيْهَا*) are used to refer back to feminine nouns like **التَّذْكِرَةُ** (the ticket) or **التَّأْشِيرَةُ** (the visa) to avoid repetition.
  Following the comprehension questions in the **Reading Section (اِقْرَأْ)** of **Lesson 1**, the next exercises on **page 25** focus on writing practice and personal application of the travel vocabulary you have learned.

Exercise 2: Writing Practice (ثانياً)

This exercise is a simple but important task for developing your handwriting and reinforcement:

- **Arabic Task:** اكْتُبِ النَّصَّ السَّابِقَ فِي كُرَّاسَتِكَ.
- **English Meaning:** Write the previous text (the reading passage on page 24) in your notebook.

Exercise 3: Personal Application Questions (ثالثاً)

This exercise asks you to answer questions about yourself using the patterns found in the lesson. Unlike the first exercise, these answers are not found in the text but are based on your own information.

Linguistic Notes for Your Answers

- **First-Person Conjugation:** Notice that the verbs change from the second person (تَـ - you) in the question to the first person (أَ - I) in the answer, such as **تَدْرُسُ** (you study) becoming **أَدْرُسُ** (I study).
- **Past Tense Endings:** For the final two questions, the verb **قُمْتَ** (you did/performed) is answered with **قُمْتُ** (I did/performed), or simply by using the first-person past tense of the action verb, like **قَابَلْتُ** (I met) or **حَصَلْتُ** (I obtained).
- **Vocabulary:** These responses use the specific official locations mentioned in the text: **السَّفَارَةُ** (the Embassy) and **وِزَارَةُ الدَّاخِلِيَّةِ** (the Ministry of Interior).

Key Insights for this Section

- **Personalization:** This section shifts the focus from **Mahmoud and Rashid** to **you**. It requires you to use the first-person singular conjugation (e.g., *Ana adrusu...* - I study...) which was practiced earlier in

the lesson.

- **Process Verbs:** Questions 5 and 6 specifically test your ability to use the complex terms introduced in the reading summary, such as **اِسْتِخْرَاج** (obtaining/issuing) and **تَأْشِيرَة** (visa).
- **Interrogative Review:** These questions review several common Arabic question words: **مَا** (What), **أَيْنَ** (Where), and **كَيْفَ** (How).Based on the sources, the dialogue (**الحِوَار**) for **Lesson 2: At the Reservation Office (فِي مَكْتَبِ الحَجْزِ)** is found on pages 26 and 27,. ---

Key Grammatical Observations

- **Verb Transitions:** The drill shows how the verb structure changes. For example, in the last row, the verb moves from سَافَرَ (He traveled) to يُسَافِرُ (He travels) to سَافِرْ (Travel!).
- **Vowel Changes (Aeraab):** Note the ending of the command verbs. Most end with a *Sukun* (e.g., سَافِرْ, أَكْمِلْ), but if the following word starts with an "Al-", the Sukun may change to a *Kasra* for easier pronunciation, as seen in اِسْتَخْرِجِ الْجَوَازَ.
- **Vocative Particle:** The command form consistently uses the particle يَا (O...) when addressing the person directly.

Exercise 2 (ثانياً) for Lesson 2 is found on **page 29**. The title of the exercise is **"Transform the following sentences as in the example" (حَوِّلِ الْجُمَلَ الآتِيَةَ كَمَا فِي النَّمُوذَجِ)**.

The Objective

This exercise builds on the patterns learned in Exercise 1. Your task is to take a sentence in the **past tense** and transform it into two forms:

1. A **present tense** statement.
2. A **command (imperative)** addressed to the subject.

The Model (النَّمُوذَج)

- **Past:** حَجَزَ مَحْمُودٌ مَكَاناً (Mahmoud reserved a place).
- **Present:** يَحْجُزُ مَحْمُودٌ مَكَاناً (Mahmoud reserves a place).
- **Command:** اِحْجِزْ مَكَاناً يَا مَحْمُودُ (Reserve a place, O Mahmoud!).

Practice Items and Expected Transformations

Based on the prompts on page 29, here are the completed transformations with full vowels (*aeraab*):

#	Past Tense (Prompt)	Present Tense Transformation	Command Transformation
1	اِسْتَخْرَجَ أَحْمَدُ جَوَازاً	يَسْتَخْرِجُ أَحْمَدُ جَوَازاً	اِسْتَخْرِجْ جَوَازاً يَا أَحْمَدُ
2	دَخَلَ عُمَرُ الْمَكْتَبَةَ	يَدْخُلُ عُمَرُ الْمَكْتَبَةَ	اُدْخُلِ الْمَكْتَبَةَ يَا عُمَرُ
3	خَرَجَ عِيسَى مِنَ الْحُجْرَةِ	يَخْرُجُ عِيسَى مِنَ الْحُجْرَةِ	اُخْرُجْ مِنَ الْحُجْرَةِ يَا عِيسَى

#	Past Tense (Prompt)	Present Tense Transformation	Command Transformation
4	تَسَلَّمَ عَلِيٌّ الرِّسَالَةَ	**يَتَسَلَّمُ عَلِيٌّ الرِّسَالَةَ**	**تَسَلَّمِ الرِّسَالَةَ يَا عَلِيُّ**
5	أَكْمَلَ عُثْمَانُ الْكِتَابَ	**يُكْمِلُ عُثْمَانُ الْكِتَابَ**	**أَكْمِلِ الْكِتَابَ يَا عُثْمَانُ**
6	سَافَرَ عَبْدُ اللهِ إِلَى مَكَّةَ	**يُسَافِرُ عَبْدُ اللهِ إِلَى مَكَّةَ**	**سَافِرْ إِلَى مَكَّةَ يَا عَبْدَ اللهِ**
7	كَتَبَ إِسْحَاقُ الدَّرْسَ	**يَكْتُبُ إِسْحَاقُ الدَّرْسَ**	**اُكْتُبِ الدَّرْسَ يَا إِسْحَاقُ**
8	قَرَأَ يُوسُفُ الصَّحِيفَةَ	**يَقْرَأُ يُوسُفُ الصَّحِيفَةَ**	**اِقْرَأِ الصَّحِيفَةَ يَا يُوسُفُ**
9	جَمَعَ صَالِحٌ الدَّفَاتِرَ	**يَجْمَعُ صَالِحٌ الدَّفَاتِرَ**	**اِجْمَعِ الدَّفَاتِرَ يَا صَالِحُ**
10	دَفَعَ خَالِدٌ الْحِسَابَ	**يَدْفَعُ خَالِدٌ الْحِسَابَ**	**اِدْفَعِ الْحِسَابَ يَا خَالِدُ**

Grammatical Notes

- **Vowel Changes in Command:** Notice that for command verbs followed by the definite article "Al-" (like in item 2: *udkhul-i-l-maktabata*), the final *Sukun* changes to a **Kasra** to facilitate smooth pronunciation.
- **Verb Patterns:** This exercise uses verbs with different root structures (Triliteral like *dakhala*, Form IV like *akmala*, Form V like *tasallama*, and Form X like *istakhraja*) to ensure you can apply the tense changes to various verb patterns.

Exercise 3 (ثَالِثاً) for Lesson 2 is found on **pages 29 and 30** and is titled **"Third: Listen and repeat" (ثالثاً: اِسْتَمِعْ وَرَدِّدْ)**.

This exercise is a linguistic drill designed to teach you how to ask questions using the interrogative particle **"مَتَى" (When)**. It focuses on the relationship between **present tense verbs** and their corresponding **verbal nouns (Masdar)**, showing how a "When" question can be phrased in two different ways while keeping the same meaning.

Lesson 2: Exercise 3 Content

#	Verbal Question (Verb + Subject)	Nominal Question (Noun/Masdar)	English Meaning
1	**مَتَى تُقْلِعُ الطَّائِرَةُ ؟**	**مَتَى إِقْلَاعُ الطَّائِرَةِ ؟**	When does the plane take off? / When is takeoff?
2	**مَتَى يُسَافِرُ إِبْرَاهِيمُ ؟**	**مَتَى سَفَرُ إِبْرَاهِيمَ ؟**	When does Ibrahim travel? / When is **Ibrahim's** travel?
3	**مَتَى يُغَادِرُ مَحْمُودٌ ؟**	**مَتَى مُغَادَرَةُ مَحْمُودٍ ؟**	When does Mahmoud depart? / When is **Mahmoud's** departure?
4	**مَتَى يَصِلُ الْمُدَرِّسُ ؟**	**مَتَى وُصُولُ الْمُدَرِّسِ ؟**	When does the teacher arrive? / When is **the teacher's** arrival?
5	**مَتَى يَدْخُلُ الطَّلَبَةُ ؟**	**مَتَى دُخُولُ الطَّلَبَةِ ؟**	When do the students enter? / When is **the students'** entry?
6	**مَتَى تَخْرُجُ الْبِنْتُ ؟**	**مَتَى خُرُوجُ الْبِنْتِ ؟**	When does the girl exit? / When is **the girl's** exit?
7	**مَتَى يَعُودُ أَحْمَدُ ؟**	**مَتَى عَوْدَةُ أَحْمَدَ ؟**	When does Ahmed return? / When is **Ahmed's** return?
8	**مَتَى تَزُورُ الْمَعْهَدَ ؟**	**مَتَى زِيَارَتُكَ ؟**	When do you visit the institute? / When is your visit?

#	Verbal Question (Verb + Subject)	Nominal Question (Noun/Masdar)	English Meaning
9	مَتَى تَحْجِزُ لِلسَّفَرِ ؟	مَتَى حَجْزُكَ ؟	When do you reserve for travel? / When is your reservation?
10	مَتَى تَنَامُ ؟	مَتَى نَوْمُكَ ؟	When do you sleep? / When is your sleep?
11	مَتَى تَرْكَبُ الطَّائِرَةَ ؟	مَتَى رُكُوبُكَ ؟	When do you board the plane? / When is your boarding?

Key Educational Concepts

- **Verbal vs. Nominal Questions:** The first column uses a **verbal sentence** (*Jumla Fi'liyya*), while the second column uses a **nominal sentence** (*Jumla Ismiyya*) by turning the verb into a noun (*Masdar*).
- **Attached Pronouns:** In items 8 through 11, notice how the second-person subject "you" (**أَنْتَ**) is replaced by the **attached pronoun "-ka"** (ـكَ) when the verb is turned into a noun (e.g., *Tanāmu* becomes *Nawmuka*).
- **Vocabulary Reinforcement:** This drill reinforces vocabulary from the Lesson 2 dialogue, such as **إِقْلاع** (takeoff), **وُصُول** (arrival), and **حَجْز** (reservation).

Exercise 4 (رَابِعاً) for Lesson 2 is found on **pages 30 and 31** and is titled **"Fourth: Answer as in the example" (رَابِعاً : أَجِبْ كَمَا فِي النَّمُوذَجِ)**.

Objective

This exercise teaches you how to answer questions about the timing of various travel-related events using specific hours. It builds on the nominal questions practiced in Exercise 3.

The Model (النَّمُوذَج)

The example shows how to take a question and a given time in parentheses to form a complete sentence:

- **Question:** مَتَى الإِقْلَاعُ ؟ (السَّاعَةُ التَّاسِعَةُ) — When is takeoff? (Nine o'clock).
- **Answer:** الإِقْلَاعُ السَّاعَةُ التَّاسِعَةُ. — Takeoff is at nine o'clock.

Practice Items (Pages 30–31)

Here are the items from the exercise with the completed answers provided in full vowels (*aeraab*):

#	Question & (Time Prompt)	Arabic Answer	English Meaning
1	مَتَى السَّفَرُ ؟ (السَّاعَةُ الوَاحِدَةُ)	السَّفَرُ السَّاعَةُ الوَاحِدَةُ.	Travel is at one o'clock.
2	مَتَى المُغَادَرَةُ ؟ (السَّاعَةُ السَّابِعَةُ)	المُغَادَرَةُ السَّاعَةُ السَّابِعَةُ.	Departure is at seven o'clock.

Key Grammatical Insight

In these answers, you are forming a simple **Subject-Predicate (Mubtada' and Khabar)** sentence. The subject is the noun you are asking about (e.g., *Al-Safar*), and the predicate is the time (*Al-Sa'atu...*). Both parts remain in the nominative case (*Marfu'*), typically ending with a *Dhamma*.

The **Reading Section (اِقْرَأْ)** for **Lesson 2: At the Reservation Office (فِي مَكْتَبِ الحَجْزِ)** is located on **page 32** of the sources. This section integrates the vocabulary and themes of flight booking into a narrative summary.

2. Narrative Text Breakdown

This table provides a line-by-line analysis of the reading text found on page 32:

Arabic Sentence (with Aeraab)	English Meaning
ذَهَبَ مَحْمُودٌ إِلَى المَطَارِ، لِيَحْجِزَ لِلسَّفَرِ إِلَى المَمْلَكَةِ العَرَبِيَّةِ السُّعُودِيَّةِ.	Mahmoud went to the airport to make a reservation for travel to the Kingdom of Saudi Arabia.
وَجَدَ مَحْمُودٌ حَجْزاً فِي رِحْلَةِ يَوْمِ السَّبْتِ، مِنَ الأُسْبُوعِ القَادِمِ بِالدَّرَجَةِ السِّياحِيَّةِ.	Mahmoud found a reservation on a Saturday flight next week in tourist class.
طَلَبَ المُوَظَّفُ مِنْ مَحْمُودٍ أَنْ يَحْضُرَ لِتَأْكِيدِ الحَجْزِ قَبْلَ السَّفَرِ بِيَوْمٍ.	The employee requested Mahmoud to come to confirm the reservation one day before travel.
سَأَلَ مَحْمُودٌ المُوَظَّفَ عَنْ مَوْعِدِ إِقْلاعِ الطَّائِرَةِ.	Mahmoud asked the employee about the plane's takeoff time.
أَجَابَ المُوَظَّفُ : الإِقْلاعُ فِي العَاشِرَةِ صَبَاحاً.	The employee answered: Takeoff is at ten o'clock in the morning.

3. Comprehension Exercise (Exercise 1, Page 33)

Following the reading, the sources provide comprehension questions. Below are the questions and their corresponding answers based on the text above:

#	Arabic Question	English Meaning	Correct Answer (based on text)
1	إِلَى أَيْنَ ذَهَبَ مَحْمُودٌ ؟	Where did Mahmoud go?	ذَهَبَ مَحْمُودٌ إِلَى المَطَارِ.

#	Arabic Question	English Meaning	Correct Answer (based on text)
2	لِمَاذَا ذَهَبَ مَحْمُودٌ إِلَى المَطَارِ ؟	Why did Mahmoud go to the airport?	لِيَحْجِزَ لِلسَّفَرِ إِلَى المَمْلَكَةِ العَرَبِيَّةِ السُّعُودِيَّةِ.
3	هَلْ وَجَدَ مَحْمُودٌ حَجْزاً ؟	Did Mahmoud find a reservation?	نَعَمْ؛ وَجَدَ مَحْمُودٌ حَجْزاً.
4	فِي أَيِّ يَوْمٍ وَجَدَ مَحْمُودٌ الحَجْزَ ؟	On which day did Mahmoud find the reservation?	وَجَدَ حَجْزاً يَوْمَ السَّبْتِ.

Linguistic Observations

- **Purpose Particle (Li-):** In the first sentence, notice the use of "لِـيَحْجِزَ" (to/in order to reserve). This particle causes the following present-tense verb to end with a *fatha* (subjunctive mood).
- **Time Expressions:** The text uses "قَبْلَ... بِيَوْمٍ" (one day before). This is a standard pattern for expressing durations relative to an event.
- **Adjectives:** Notice how "السِّياحِيَّةِ" (tourist) matches the gender and case of "الدَّرَجَةِ" (class/degree).

Exercise 2 (ثانياً) of the Lesson 2 Reading Section is found on **page 33**.

Similar to the exercise at the end of Lesson 1, this task is titled **"Second: Answer the following questions" (ثانياً : أَجِبْ عَنِ الأَسْئِلَةِ الآتِيَةِ)** and requires you to provide personal answers about your own travel experience using the vocabulary and grammatical structures introduced in the lesson.

Lesson 2, Exercise 2: Detailed Breakdown & Sample Responses

#	Arabic Question (Page 33)	English Meaning	Sample Arabic Response	English Meaning of Response
1	مَتَى حَضَرْتَ إِلَى الرِّيَاضِ ؟	When did you come to Riyadh?	حَضَرْتُ إِلَى الرِّيَاضِ فِي الأُسْبُوعِ المَاضِي.	I came to Riyadh last week.
2	بِمَاذَا حَضَرْتَ ؟	By what (means) did you come?	حَضَرْتُ بِالطَّائِرَةِ.	I came by plane.
3	لِمَاذَا حَضَرْتَ ؟	Why did you come?	حَضَرْتُ لِلدِّرَاسَةِ فِي المَعْهَدِ.	I came to study at the institute.
4	هَلْ عِنْدَكَ جَوازُ سَفَرٍ ؟	Do you have a passport?	نَعَمْ؛ عِنْدِي جَوازُ سَفَرٍ.	Yes; I have a passport.
5	مِنْ أَيْنَ اسْتَخْرَجْتَ التَّأْشِيرَةَ ؟	From where did you obtain the visa?	اِسْتَخْرَجْتُهَا مِنْ سَفَارَةِ المَمْلَكَةِ.	I obtained it from the Kingdom's embassy.

Key Linguistic Insights

- **Verb Conjugation Change:** Just like in previous exercises, the verb changes from the second-person masculine singular (حَضَرْتَ - *you* came) in the question to the first-person singular (حَضَرْتُ - *I* came) in your answer.

- **Means of Transport:** Question 2 uses the preposition "**بِـ**" (by/with) to ask for the means of travel, such as **بِالطَّائِرَةِ** (by plane).
- **Possession with "عند":** Question 4 uses the particle "**عِنْدَكَ**" (you have). In your response, you change this to "**عِنْدِي**" (I have).
- **Using Object Pronouns:** In the final question, you can replace the word "**التَّأْشِيرَةَ**" (the visa) with the feminine attached pronoun "**-هَا**" in the verb "**اِسْتَخْرَجْتُهَا**" (I obtained **it**) to make your Arabic sound more natural.

Lesson 3 Dialogue (الحِوَار)

The first part of the dialogue takes place at the check-in counter between **Mahmoud (مَحْمُودٌ)** and the **Employee (المُوَظَّفُ)**:

Character	Arabic Dialogue (with Aeraab)	English Meaning
مَحْمُودٌ	لَوْ سَمَحْتَ. أَنَا ذَاهِبٌ إِلَى الرِّيَاضِ.	Excuse me. I am going to Riyadh.
المُوَظَّفُ	التَّذْكِرَةَ وَجَوَازَ السَّفَرِ مِنْ فَضْلِكَ.	The ticket and passport, please.
مَحْمُودٌ	تَفَضَّلْ.	Here you go.
المُوَظَّفُ	أَيْنَ حَقَائِبُكَ؟	Where are your bags?
مَحْمُودٌ	مَعِي حَقِيبَةٌ وَاحِدَةٌ.	I have one bag with me.
المُوَظَّفُ	ضَعْهَا عَلَى المِيزَانِ... الوَزْنُ الزَّائِدُ عَشَرَةُ كِيلُواتٍ. اِدْفَعْ خَمْسِينَ دُولاراً.	Place it on the scale... The excess weight is ten kilograms. Pay fifty dollars.
مَحْمُودٌ	تَفَضَّلْ.	Here you go.
المُوَظَّفُ	وَالآنَ اِمْلأْ بِطَاقَةَ الدُّخُولِ ثُمَّ اتَّجِهْ إِلَى بَهْوِ (صَالَةِ) المُسَافِرِينَ.	And now, fill out the entry card then head to the passengers' lounge.

Mahmoud Inside the Passport Lounge (مَحْمُودٌ فِي دَاخِلِ بَهْوِ الجَوَازَاتِ)

The second part of the dialogue on page 35 involves the **Passport official (مُوَظَّفُ الجَوَازَاتِ)**:

Character	Arabic Dialogue (with Aeraab)	English Meaning
مُوَظَّفُ الجَوَازَاتِ	هَلْ تَسْمَحُ بِالْجَوَازِ وَبِطَاقَةِ الْمُغَادَرَةِ؟	May I have the passport and the departure card?
مَحْمُودٌ	بِكُلِّ سُرُورٍ.	With pleasure.
مُوَظَّفُ الجَوَازَاتِ	حَسَناً. أُدْخُلْ إِلَى بَهْوِ الْمُغَادَرَةِ.	Fine. Enter the departure lounge.
مَحْمُودٌ	شُكْراً مَعَ السَّلامَةِ.	Thank you, goodbye.

Grammatical Note

This lesson continues practicing **Command verbs** (*Amr*) such as **ضَعْ** (put), **اِمْلأْ** (fill), and **اُدْخُلْ** (enter). It also introduces **attached pronouns** with the word "with" (**مَعِي** - with me) and the concept of **excess weight**.

Based on the sources, **Exercises 1 and 2** for **Lesson 3: In the Departure Lounge (فِي بَهْوِ (صَالَةِ) السَّفَرِ)** are found on **pages 35 and 36**,. These exercises focus on practicing the use of the preposition **مَعَ** (with) paired with **attached pronouns** to express possession, specifically regarding luggage (**حَقَائِب**).

Exercise 1: Listen and Repeat (أولاً : اِسْتَمِعْ وَرَدِّدْ)

Exercise 3: Paying in Dollars (ثَالِثاً)

This exercise on **page 37** practices the command verb **اِدْفَعْ** (Pay) followed by various amounts in dollars.

The Model (النَّمُوذَج):

- **Prompt:** اِدْفَعْ خَمْسِينَ دُولاراً (عِشْرِينَ)
- **Answer: اِدْفَعْ عِشْرِينَ دُولاراً.** (Pay twenty dollars).

#	Number Prompt	Arabic Answer	English Meaning
1	**(ثَلاثِينَ)**	**اِدْفَعْ ثَلاثِينَ دُولاراً.**	Pay thirty dollars.

Exercise 4: Quantities in Riyals (رَابِعاً)

This exercise begins at the bottom of **page 37** and continues on **page 38**. It practices stating how much money you have using the prepositional phrase **مَعِي** (with me / I have).

The Model (النَّمُوذَج):

- **Prompt:** مَعِي خَمْسُونَ رِيَالاً (عِشْرُونَ)
- **Answer: مَعِي عِشْرُونَ رِيَالاً.** (I have twenty Riyals).

#	Number Prompt	Arabic Answer	English Meaning
1	**(تِسْعُونَ)**	**مَعِي تِسْعُونَ رِيَالاً.**	I have ninety Riyals.
2	**(ثَمَانُونَ)**	**مَعِي ثَمَانُونَ رِيَالاً.**	I have eighty Riyals.
3	**(سَبْعُونَ)**	**مَعِي سَبْعُونَ رِيَالاً.**	I have seventy Riyals.

7	**(خَمْسُونَ)**	**مَعِي خَمْسُونَ رِيَالاً.**	I have fifty Riyals.

Grammatical Insight

- **Number Case (Accusative vs. Nominative):** In Exercise 3, the numbers end in **"-een"** (*thalatheen*, *arba'een*) because they are the object of the verb "Pay". In Exercise 4, they end in **"-oon"** (*tis'oon*, *thaman_oon*) because they are the subject of the nominal sentence.
- **Currency Terms:** The sources use **دُولار** (Dollar) for international contexts and **رِيَال** (Riyal) for local Saudi contexts.

Exercises 5 and 6 for **Lesson 3** are found on **pages 38 and 39** of the sources. These exercises continue to build on the themes of possession (having money/bags) and describing current actions or states related

to travel.

Exercise 5: Possession with Various Pronouns (خَامِساً)

Located on **page 38**, this exercise is titled **"Answer as in the example" (أَجِبْ كَمَا فِي النَّمُوذَجِ)**. It combines the patterns from Exercise 2 (attached pronouns with *ma'a*) and Exercise 4 (numbers in the nominative case).

The Objective: To state how much money different people have. As we discussed previously, the money (the number) acts as the grammatical subject, so it remains in the **"-oon"** form.

#	Prompt (Person - Amount)	Arabic Answer	English Meaning

Exercise 6: Descriptive Actions (سَادِساً)

Starting at the bottom of **page 38** and continuing onto **page 39**, this exercise is titled **"Listen and repeat" (اِسْتَمِعْ وَرَدِّدْ)**. It introduces the **Active Participle** (Ism al-Fa'il), which allows you to describe what you are doing right now (e.g., "I am going" instead of "I go").

Key Takeaway

- **Exercise 5** reinforces that in the "Ma'i" (I have) construction, the **possessor** is attached to the preposition, and the **item possessed** (the number) is the grammatical subject.
- **Exercise 6** transitions you from using verbs (like *adh-habu* - I go) to using **nouns of action** (like *dhāhibun* - going), which is a very common way to express current status in Arabic.

Continuing from Lesson 3, **Exercises 7 and 8** (found on **pages 39 and 40**) focus on the practical use of the active participle and reinforcing the lesson's core vocabulary through sentence completion,.

Exercise 7: Tense Transformation (سَابِعاً)

This exercise is located on **pages 39 and 40** and is titled **"Transform the following sentences as in the example" (حَوِّلِ الْجُمَلَ الآتِيَةَ كَمَا فِي النَّمُوذَجِ)**,.

The Objective: To practice converting a **past tense verb** (an action that happened) into an **active participle** (*Ism al-Fa'il*), which describes a current state or the person performing the action (e.g., "I went" vs. "I am going").

#	Past Tense (Prompt)	Active Participle (Answer)	English Meaning

Detailed Tabular Explanation

#	Arabic Sentence with Answer	English Meaning	Why this word?
1	وَضَعَ الْمُسَافِرُ الْعَفْشَ عَلَى الْمِيزَانِ.	The passenger placed the **luggage** on the scale.	Based on the text on page 41: "... وَوَزَنَ حَقَائِبَهُ... قِيمَةَ الْعَفْشِ الزَّائِدِ".
2	فَحَصَ ضَابِطُ الْجَوَازَاتِ الْجَوَازَ.	The passport **officer** inspected the passport.	Based on the text on page 41: " ثُمَّ مَرَّ عَلَى ضَابِطِ الْجَوَازَاتِ".

Grammatical and Contextual Notes

- **Verb-Subject Agreement:** In sentence 3, **سَمِعَ** (heard) is in the singular masculine form even though the subject **الْمُسَافِرُونَ** (travelers) is plural. This is because in a Verb-Subject (VSO) sentence, the verb remains singular if the subject is explicitly mentioned.
- **Masdar (Verbal Noun):** In sentence 4, **التَّوَجُّهِ** is used as a noun (the act of heading towards). It follows the word **سُرْعَةُ** (speed/quickness) to form an *Idafa* construction ("speed of heading"), which is why it takes a *kasra* at the end.

- **Vocabulary Nuance:** Note the use of **الْعَفْش** (luggage) as a synonym for **الْحَقَائِب** (bags) used earlier in the unit, broadening your travel-related vocabulary.**Lesson 5: In the Reception Lounge (فِي بَهْوِ الاسْتِقْبَالِ (صَالَةِ))** is found on **pages 44 and 45**. This lesson covers the arrival procedures, including the passport check and customs inspection.

Grammatical Structures and Phrasing

- **Origin and Destination:** The lesson teaches two key questions for travelers: "**مِنْ أَيْنَ أَنْتَ قَادِمٌ؟**" (Where are you coming from?) and "**إِلَى أَيْنَ أَنْتَ مُتَّجِهٌ؟**" (Where are you heading?).
- **Subjunctive with "أَنْ":** The phrase "**يُمْكِنُكَ أَنْ تَخْرُجَ**" (You can leave) uses the particle **أَنْ**, which makes the following present-tense verb end in a *fatha*.
- **Imperative Verbs:** The customs officer uses two commands: **اِفْتَحِ** (Open) and **أَقْفِلْ** (Close).

Following the dialogue at the customs counter in **Lesson 5**, here is a detailed tabular explanation of **Exercises 1 and 2**, found on **pages 45 and 46** of the sources.

Exercise 1: Verb vs. Active Participle (أولاً)

Found at the bottom of **page 45** and continuing onto **page 46**, this drill compares sentences using **present tense verbs** with sentences using the **Active Participle** (*Ism al-Fa'il*). This teaches you how to describe an action either as a process (he is doing) or as a state/identity (he is the one doing).

#	Sentence (Verbal Form)	Sentence (Participle Form)	English Meaning
1-2	**مَحْمُودٌ يَتَّجِهُ إِلَى الْبَوَّابَةِ.**	**مَحْمُودٌ مُتَّجِهٌ إِلَى الْبَوَّابَةِ.**	Mahmoud is heading to the gate.
3-4	**رَشِيدٌ يُقْفِلُ الْحَقِيبَةَ.**	**رَشِيدٌ مُقْفِلُ الْحَقِيبَةِ.**	Rashid is closing/the closer of the bag.
5-6	**عَلِيٌّ يُرْسِلُ رِسَالَةً.**	**عَلِيٌّ مُرْسِلُ رِسَالَةٍ.**	Ali is sending/the sender of a letter.
7-8	**الطَّائِرَةُ تُقْلِعُ فِي الصَّبَاحِ.**	**الطَّائِرَةُ مُقْلِعَةٌ فِي الصَّبَاحِ.**	The plane takes off/is departing in the morning.
9-10	**فَاطِمَةُ تُسَافِرُ إِلَى بَاكِسْتَانَ.**	**فَاطِمَةُ مُسَافِرَةٌ إِلَى بَاكِسْتَانَ.**	Fatima is traveling/a traveler to Pakistan.
11-12	**الْوَلَدُ يُسْرِعُ فِي الْخُرُوجِ.**	**الْوَلَدُ مُسْرِعٌ فِي الْخُرُوجِ.**	The boy is rushing/one who rushes to exit.

Exercise 2: Sentence Repetition and Fluency (ثَانِيًا)

Found on **page 46**, this exercise focuses on standard sentence structures using the vocabulary from the airport and travel context.

#	Arabic Sentence (with Aeraab)	English Meaning
1	**إِبْرَاهِيمُ يُرْسِلُ رِسَالَةً.**	Ibrahim is sending a letter.
2	**الطَّائِرَةُ تُقْلِعُ فِي السَّادِسَةِ.**	The plane takes off at six.

8	**الْخُطُوطُ السُّعُودِيَّةُ تُعْلِنُ عَنْ رِحْلَتِهَا.**	Saudi Airlines announces its flight.

Grammatical Insights

- **Participle Endings:** Notice that the Active Participle for masculine subjects ends with a *tanween dhamma* (e.g., **مُتَّجِهٌ**), while for feminine subjects like the plane (**الطَّائِرَةُ**) or Fatima (**فَاطِمَةُ**), it adds a *Ta Marbuta* at the end (**مُقْلِعَةٌ, مُسَافِرَةٌ**).
- **Idafa Construction:** In Exercise 1, item 4 (**مُقْفِلُ الْحَقِيبَةِ**), the participle and the object form an *Idafa* (possession-like) structure, which is why "the bag" ends with a *kasra*.
- **Vocabulary Review:** These exercises reuse terms from Lesson 4, such as **تُعْلِنُ** (announces) and **الْخُطُوط** (airlines), to ensure they are fully memorized.

Exercises 3 and 4 for **Lesson 5** are found on **pages 47, 48, and 49** of the sources. These exercises focus on two main grammatical concepts: the use of "**You can...**" (**يُمْكِنُكَ أَنْ...**) and stating a traveler's **place of origin**.

Exercise 3: Permissions and Transformations (ثَالِثاً)

This exercise is split into two parts on pages 47 and 48.

Part A: "You can..." Drills (Page 47)

This section teaches you how to give permission using either a verb (with أَنْ) or a verbal noun (*Masdar*). Both versions carry the same meaning.

#	Verbal Form (أَنْ + Verb)	Nominal Form (Verbal Noun)	English Meaning
1-2	يُمْكِنُكَ أَنْ تَخْرُجَ	يُمْكِنُكَ الْخُرُوجُ	You can leave.
3-4	يُمْكِنُكَ أَنْ تَدْخُلَ	يُمْكِنُكَ الدُّخُولُ	You can enter.
5-6	يُمْكِنُكَ أَنْ تَصِلَ	يُمْكِنُكَ الْوُصُولُ	You can arrive.
7-8	يُمْكِنُكَ أَنْ تُسَافِرَ	يُمْكِنُكَ السَّفَرُ	You can travel.

Grammatical Notes

- **The Subjunctive Mood:** When a verb follows the particle **أَنْ** (as in Exercise 3), the final vowel changes from a *dhamma* to a **fatha** (e.g., *yakhruju* becomes *an yakhruja*).
- **Gender Agreement:** In Exercise 4, notice how the active participle "**قَادِمٌ**" (coming) changes to "**قَادِمَةٌ**" when referring to a female subject (like in items 2, 3, and 5).
- **City Vowels:** Cities like **كَرَاتْشِي** and **بَارِيس** often end in fixed vowels, while cities like **الْقَاهِرَة** change their ending to a *kasra* after the preposition "**مِنْ**".

Exercises 5 and 6 for **Lesson 5** are found on **pages 49 and 50** of the sources,. These exercises finalize the lesson's focus on travel status, specifically regarding destinations and origins.

Exercise 5: Destination and Status (خَامِساً)

Located on **pages 49 and 50**, this exercise is titled **"Answer the following questions as in the example"**,. It practices using the active participle to describe where a traveler is heading, departing to, or returning from.

The Model (النَّمُوذَج):

- **Question:** إِلَى أَيْنَ أَنْتَ مُتَّجِهٌ ؟ (Where are you heading?)
- **Prompt:** (بَيْرُوت)
- **Answer:** أَنَا مُتَّجِهٌ إِلَى بَيْرُوتَ. (I am heading to Beirut).

#	Question & (City Prompt)	Arabic Answer	English Meaning
1	إِلَى أَيْنَ أَنَا مُغَادِرٌ ؟ (لَنْدَن)	أَنْتَ مُغَادِرٌ إِلَى لَنْدَنَ.	You are departing to London.
2	إِلَى أَيْنَ هُوَ مُسَافِرٌ ؟ (أَنْقَرَة)	هُوَ مُسَافِرٌ إِلَى أَنْقَرَةَ.	He is traveling to Ankara.
3	إِلَى أَيْنَ هِيَ عَائِدَةٌ ؟ (الْخُرْطُوم)	هِيَ عَائِدَةٌ إِلَى الْخُرْطُومِ.	She is returning to Khartoum.
4	مِنْ أَيْنَ أَنْتَ قَادِمٌ ؟ (بَارِيس)	أَنَا قَادِمٌ مِنْ بَارِيسَ.	I am coming from Paris.
5	مِنْ أَيْنَ أَنْتَ وَاصِلٌ ؟ (الْكُوَيْت)	أَنَا وَاصِلٌ مِنَ الْكُوَيْتِ.	I am arriving from Kuwait.

Exercise 6: Progressive Substitution Drill (سَادِساً)

Located on **page 50**, this exercise is titled **"Substitute as in the example"**. It is a chain drill where you change one element of the sentence (the subject, the status, or the city) at each step.

Initial Model: أَنَا قَادِمٌ مِنَ الْقَاهِرَةِ. (I am coming from Cairo).

- *Substitution 1:* (جِدَّة) -> **أَنَا قَادِمٌ مِنْ جِدَّةَ.**
- *Substitution 2:* (عَائِدٌ) -> **أَنَا عَائِدٌ مِنْ جِدَّةَ.**

Drill Progression:

#	Substitution Prompt	Completed Sentence	Change Made
1	**(أَنْتَ)**	**أَنْتَ عَائِدٌ مِنْ جِدَّةَ.**	Changed subject to "You (m)".
2	**(طُوكِيُو)**	**أَنْتَ عَائِدٌ مِنْ طُوكِيُو.**	Changed city to Tokyo.
3	**(هِيَ)**	**هِيَ عَائِدَةٌ مِنْ طُوكِيُو.**	Changed subject to "She" (added feminine ending).
4	**(مُسَافِرَةٌ إِلَى)**	**هِيَ مُسَافِرَةٌ إِلَى طُوكِيُو.**	Changed status and preposition to "traveling to".
5	**(هُوَ)**	**هُوَ مُسَافِرٌ إِلَى طُوكِيُو.**	Changed subject to "He" (removed feminine ending).
6	**(أَنَا)**	**أَنَا مُسَافِرٌ إِلَى طُوكِيُو.**	Changed subject to "I".
7	**(وَاصِلٌ إِلَى)**	**أَنَا وَاصِلٌ إِلَى طُوكِيُو.**	Changed status to "arriving at".
8	**(عَمَّان)**	**أَنَا وَاصِلٌ إِلَى عَمَّانَ.**	Changed city to Amman.

Grammatical Insights

- **Gender Agreement:** In Exercise 6, notice how the status word must match the gender of the subject. For example, when switching to **هِيَ** (She), the word **عَائِدٌ** (returning) becomes **عَائِدَةٌ**.
- **Preposition Usage:** The exercise reinforces that **قَادِمٌ** (coming), **عَائِدٌ** (returning), and **وَاصِلٌ** (arriving) can all use **مِنْ** (from), but **مُسَافِرٌ** (traveling) and **مُتَّجِهٌ** (heading) typically use **إِلَى** (to).
- **Diptote Cities:** Cities like **أَنْقَرَةَ** ,**جِدَّةَ**, and **عَمَّانَ** are diptotes (*mamnū' min al-ṣarf*),. This means that even after a preposition like **مِنْ** or **إِلَى**, they end with a **fatha** (a-sound) instead of the standard kasra (i-sound).

- **آسِفٌ**: I am sorry.
- **سِرْ فِي رِعَايَةِ اللهِ**: Proceed in God's care (a polite way to tell the driver to start moving).

Grammatical Note

- **Interrogative "أيّ" (Which):** Notice that **أَيَّ** takes a *fatha* in the driver's question because it is the object of the verb "want" (**تُرِيدُ**).
- **Cost Questions:** The lesson uses the pattern **"كَمْ تَكْلُفُ...؟"** (How much does [something] cost?) to inquire about prices.

Exercises 1 and 2 for **Lesson 6** are found on **pages 54 and 55**. These exercises focus on mastering the use of the interrogative particle **"أَيَّ" (Which)** in various conversational contexts.

Exercise 1: Listen and Repeat (أَوَّلاً : اِسْتَمِعْ وَرَدِّدْ)

Located on **page 54**, this is a linguistic drill designed to help you practice asking questions about preferences and actions using "أَيَّ".

#	Arabic Question (with Aeraab)	English Meaning
1	أَيَّ مَطْعَمٍ تُرِيدُ ؟	Which restaurant do you want?
2	أَيَّ طَعَامٍ تَتَنَاوَلُ ؟	Which food are you eating?

Exercise 2: Answer as in the Example (ثَانِيًا : أَجِبْ كَمَا فِي النَّمُوذَجِ)

Located on **page 55**, this exercise requires you to transform a question by substituting the noun and verb provided in parentheses.

- **Prompt:** أَيَّ مَطْعَمٍ تُرِيدُ ؟ (**طَعَام - تَأْكُلُ**)
- **Answer:** **أَيَّ طَعَامٍ تَأْكُلُ ؟** (Which food are you eating?)

Practice Items and Transformations:

#	Prompt (Noun - Verb)	Arabic Question Answer	English Meaning
1	(كِتَاب - تُفَضِّلُ)	أَيَّ كِتَابٍ تُفَضِّلُ ؟	Which book do you prefer?
2	(عَصِير - تَشْرَبُ)	أَيَّ عَصِيرٍ تَشْرَبُ ؟	Which juice are you drinking?

6	(مُسَافِر - تُقَابِلُ)	أَيَّ مُسَافِرٍ تُقَابِلُ ؟	Which traveler are you meeting?

Grammatical Insights

- **Case of "Which":** In these questions, **أَيَّ** takes a *fatha* because it functions as the **Direct Object** (*Maf'ul Bihi*) for the verb that follows (e.g., "Which book do you prefer?" -> "You prefer **which** book?").

- **The Genitive Follower:** The noun that immediately follows "Aya" is always in the **Genitive Case** (*Majrur*), which is why words like *mat'amin*, *ta'amin*, and *kitabin* end with a *kasra* or *tanween kasra*.

Continuing with **Lesson 6: With the Taxi Driver**, here is a detailed explanation of **Exercises 3, 4, and 5**, found on **pages 55 and 56**.

Exercise 3: Polite Travel Commands (ثَالِثاً)

Located on **page 55**, this exercise is titled **"Answer as in the example"**. It teaches you how to use various command verbs (*Amr*) followed by the polite parting expression **"فِي رِعَايَةِ اللهِ"** (In God's care/protection).

#	Corrected Arabic Question	Transliteration	English Meaning
1	كَمْ تُكَلِّفُ الرِّحْلَةُ؟	*Kam tukallifu ar-riḥlah?*	How much does the trip cost?

- **Question:** هَلْ تَعْرِفُ السَّكَنَ ؟ — Do you know the residence?
- **Answer:** **آسِفٌ !! ... لَا أَعْرِفُهُ.** — I'm sorry!! ... I don't know it.

Practice Items and Completed Answers: When answering, remember that the object pronoun must match the gender of the place (Masculine = ـهُ / Feminine = ـهَا).

#	Question Prompt (Place)	Arabic Answer	English Meaning
1	هَلْ تَعْرِفُ الْمَطَارَ ؟	آسِفٌ !! لَا أَعْرِفُهُ.	I'm sorry!! I don't know it (the airport).
2	هَلْ تَعْرِفُ صَالَةَ السَّفَرِ ؟	آسِفٌ !! لَا أَعْرِفُهَا.	I'm sorry!! I don't know it (the lounge).

7	هَلْ تَعْرِفُ إِدَارَةَ الْجَامِعَةِ ؟	آسِفٌ !! لَا أَعْرِفُهَا.	I'm sorry!! I don't know it (the admin).

Grammatical Insights

- **Cost Verb:** In Exercise 4, the source uses the feminine verb تُكَلِّفُ for all items. In standard grammar, this would typically change to masculine (يُكَلِّفُ) for masculine nouns like "Ghada'" or "Kitab," but you should follow the source's pattern for these drills.
- **Object Pronoun Agreement:** In Exercise 5, notice the transition between **لَا أَعْرِفُهُ** (masculine) and **لَا أَعْرِفُهَا** (feminine). Places ending in *Ta Marbuta* (ة), such as **صَالَة** (lounge), **بَوَّابَة** (gate), and **إِدَارَة** (administration), require the feminine pronoun **-hā**.

The **Reading Section (إِقْرَأْ)** for **Lesson 6: With the Taxi Driver (مَعَ سَائِقِ سَيَّارَةِ الأُجْرَةِ)** is found on **pages 57 and 58**. This section concludes the travel unit by describing Mahmoud's journey from the airport to the university.

Linguistic Insights

- **Object Pronouns:** In the phrase "**لَا أَعْرِفُهُ**" (I don't know it), the attached pronoun "**ـهُ**" refers back to the masculine noun **السَّكَن** (the residence).
- **Subjunctive Particle:** The word "**أَنْ**" in "**أَنْ يَأْخُذَهُ**" (to take him) causes the verb to end in a *fatha*.
- **Cultural Note:** The polite conclusion to a transaction in the sources involves both **paying the fare** (*dafa'a al-ujrata*) and **thanking the provider** (*shakara*).
